

months. In making payments to the individual producers pursuant to this paragraph, the handler shall furnish the following information to each producer:

(1) The identity of the handler and the producer and the month to which the payment applies;

(2) The total pounds and, with respect to final payments, the average butterfat and protein content and somatic cell count of the milk for which payment is being made;

(3) The minimum rate of payment required by the order and the rate of payment used if it is other than the applicable minimum rate;

(4) The amount and nature of any deductions subtracted from the amount otherwise due the producer; and

(5) The net amount of payment to the producer.

(e) The following conditions shall apply with respect to the payments by the market administrator prescribed in paragraphs (a) through (d) of this section:

(1) If the date by which such payments are to be made falls on a Saturday or Sunday or on any day that is a national holiday, such payments need not be made until the next day on which the market administrator's office is open for public business; and

(2) If the application of §1033.71(d)(2) of paragraph (e)(1) of this section results in a delay in the partial or final payments by handlers to the market administrator or by the market administrator to producers or cooperative associations, the corresponding partial or final payments prescribed in paragraphs (a) through (d) of this section may be delayed by the same number of days.

(f) If the market administrator does not receive the full payment required of a handler pursuant to §1033.71, he shall reduce uniformly per hundredweight the payments to producers for milk received by such handler by a total amount not in excess of the amount due from such handler. The market administrator shall complete the payments to producers on or before the next date for making payments pursuant to this section following the date on which the remaining payment is received from such handler.

(g) If the unobligated balance in the producer-settlement fund is insufficient to make all payments pursuant to this section, except those payments due producers as described in paragraph (f) of this section, the market administrator shall reduce uniformly per hundredweight the payments to producers and shall complete such payments on or before the next date for making payments pursuant to this section following the date on which the funds become available.

§ 1033.73 Butterfat differential.

For milk containing more or less than 3.5 percent butterfat, the uniform price shall be increased or decreased, respectively, for each one-tenth percent butterfat variation from 3.5 percent by a butterfat differential, rounded to the nearest one-tenth cent, which shall be 0.138 times the current month's butter price less 0.0028 times the preceding month's average pay price per hundredweight, at test, for manufacturing grade milk in Minnesota and Wisconsin, using the "base month" series, adjusted pursuant to §1033.51 (a) through (e), as reported by the Department. The butter price means the simple average for the month of the Chicago Mercantile Exchange, Grade A butter price as reported by the Department.
